

Elcometer Fitz's Atlas of Coatings Defects

Elcometer Fitz's Atlas of Coatings Defects

At a glance

- Reference manual with over 180 colour photographs to help the site inspector identify coating failures.
- Special section on water jetting & marine fouling classifications.

Elcometer Fitz's Atlas of Coatings Defects

Incorporating all the key features and benefits of the Visual Comparison Manual, the Elcometer Fitz's Atlas of Coating Defects (EFA) takes the reader through a more comprehensive range of problems and discusses each in detail.

EFA provides the user with a greater understanding of the defect, the probable cause and the possible solutions. With in excess of 180 colour photographs the User can quickly gain an insight into the coatings industry and the pitfalls to watch out for.

Sections include: Welding Faults, Surface Conditions, Dry Abrasive Blasting, Water Jetting, Coating Defects and Marine Fouling Classifications

Publications

Elcometer offers a range of inspection and visual comparison manuals specifically for the coatings inspector.

Elcometer also provides a range of pictorial surface standards for blast cleaning incorporating standards for ISO, BS SIS, ISO and SSPC.
